Certified that the building of "Delhi Public School Sansai, Tehsil Baijnath, Distt. Kangra (H.P.)" has got inspected through Junior Engineer Chadhiar Section on dated 23-03-2024 and found that the building is a single story RCC framed structure having brick masonry wall with RCC slab. Public Works Department has never supervised this building during construction at any stage. No detailed structural analysis and drawing in seismic and non-seismic conditions are available/were provided to check the safety of building Foundation depth, quality and quantity of material used, cement concrete ratio used is not known to HPPWD Department. This department will not be responsible for any type of loss of life and property etc., if this structure fails under any circumstances. However Presently by visual inspection they said building seems to be safe for running the institute for the academic session 2024-25 in normal conditions except in case of nature calamities i.e. earth quake, cloud burst, flood, unequal settlement etc.

No Officer/Official of this office will attend plea in any Hon'ble Court of Law in case of any dispute.

This school building safety certificate is valid for one year after the issue of certificate.
